reasonable discretion. Contractor shall be responsible for the supervision and direction of its employees, subcontractors, agents, suppliers, material men or anyone associated with Contractor and shall, if needed or requested by the Owner, provide supervisory personnel on the Property reasonably acceptable to the Owner to carry out this responsibility. Periodic inspections will be conducted by a designated supervisor of Contractor to ensure that all of the Work hereunder is performed in compliance with applicable codes, laws, rules, ordinances, and regulations and the requirements contained in the Contract Documents. Contractor shall not employ or retain in connection with the performance of the Work any person unfit or without sufficient skill to perform the job for which he or she is employed or retained and Contractor agrees to perform industry standard employment screening of all employees that may perform Work at the Property. Owner shall have the right to require that any Contractor employees, subcontractors, agents, suppliers, material men or anyone associated with Contractor not be permitted to enter upon the Property in connection with the performance of the Work if Owner, in its reasonable discretion, deems such individual to be unfit to perform any portion of the Work. All employees, subcontractors, agents, suppliers, material men or anyone associated with Contractor shall wear at all times while on the Property photo identification cards with expiration dates visible if the employee or sub-contractor enters the interior of any building at the Property or if the employee will only perform Work on the exterior of any building at the Property, identification on a shirt, sweater or jacket clearly identifying the name of the Contractor.

C. In connection with the performance of the Work, Contractor shall erect and maintain safeguards for the safety and protection of the Property, the occupants of the Property, and equipment and other personal property located at the Property from damage, injury or loss, and shall provide supervision and properly qualified persons for the use of hazardous equipment or materials necessary for the execution of the Work. Additionally, Contractor shall identify and protect all concealed or buried piping and cabling located on the Property. Contractor shall promptly report in writing to Owner all accidents occurring on the Property, giving full details and statements of any witnesses.

D. Contractor shall maintain a clean job site at all times, and clean up the area in which the Work is performed after each entry to perform the Work and remove any debris or other residue created in the course of performing the Work. If cleanup is not performed to Owner's satisfaction within seventy-two (72) hours after notice from Owner, Owner may, at its option, cleanup or otherwise remove any debris or materials from the Property. Contractor shall be liable to Owner for the entire cost of remedying any defective or unperformed work, which Owner may offset against the Contract Sum.

E. Commencement of the Work shall be conclusive evidence that Contractor has accepted all pre-existing conditions on the Property. Any pre-existing conditions shall not void any warranties of Contractor.

F. Contractor agrees that it is not necessary for Contractor to have access to any protected health information ("PHI"), as such information is defined by the Health Insurance Portability and Accountability Act of 1996, in order to perform its obligations under the Contract Documents. Contractor will instruct its employees, subcontractors, and others performing on its behalf under the Contract Documents to maintain the confidentiality of all PHI to which they may be exposed. Contractor will provide appropriate supervision and establish appropriate disciplinary measures in order to minimize the possibility that its employees, subcontractors, or others performing on its behalf will be exposed to or will disclose PHI. Contractor will report to Owner any instances of which it becomes aware in which PHI is improperly stored or disclosed, whether by its employees, subcontractors, or any other person.

G. Any and all costs of completion of the Work are included in the Contract Sum.

5. **Compliance with Laws.** Contractor shall perform and ensure that the Work is performed in accordance with all applicable federal, state, and local laws, orders, ordinances, rules, codes and regulations of the United States of America, the State in which the Property is located and any other public or quasi-public authority having jurisdiction over the Property or performance of the Work, including, but not limited to, all regulations and requirements of the Federal Occupational Safety and Health Administration (collectively, "Laws").

6. **Nondiscrimination.** In addition to any other requirement of law, Contractor shall not discriminate against any employee or applicant for employment because of race, color, national origin, age, sex, sexual orientation or handicap in their performance of this Agreement, including, but not limited to, the following: employment upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeships. If required by law, notices shall be posted in conspicuous places for employees and applicants for employment setting forth the provisions of this nondiscrimination clause.

7. **Prohibited Activities.** Contractor agrees to conduct the Work and control its employees, subcontractors, agents, suppliers, material men and anyone associated with Contractor in such a manner as not to create any nuisance or interfere with, damage the property of, annoy or disturb any tenant or invitee or occupant of the Property. Specifically: (a) no smoking by Contractor or its employees, subcontractors, agents, suppliers, material men or anyone associated with Contractor is permitted on or around the

Property; and (b) Contractor shall refrain from and cause its employees, subcontractors, agents, suppliers, material men or anyone associated with Contractor to refrain from: (i) use of music that is objectionable to Owner or tenants/invitees/occupants of the Property; and (ii) use of clothing that displays publicly unacceptable wording, images or expressions or that is otherwise not in compliance with generally accepted rules for the workplace.

8. **Inspection.** Owner and its agents and employees shall at all times have the right to inspect all Work performed and materials furnished, installed, or used by Contractor in or about the Property. Such inspection(s) shall not relieve Contractor of any duty to ensure that the Work conforms to Laws and the requirements contained in the Contract Documents.

9. **Insurance.** Contractor shall, at its sole cost and expense, obtain and keep in force a policy or policies of the insurance set forth on Exhibit C.

10. **Indemnification.** To the fullest extent permitted by law, Contractor agrees to indemnify, defend, and hold harmless Owner and its affiliates and each of their respective officers, directors, managers, shareholders, members, employees, representatives, agents, successors, and assigns (collectively, "Indemnified Parties") from and against any loss, liability, costs and expenses (including, without limitation, court costs and attorneys' fees) incurred by or claimed against Indemnified Parties, directly or indirectly, as a result of or in any way arising from this Agreement or Contractor's failure to perform its obligations under this Agreement. In case the Indemnified Parties shall be made a party to any litigation commenced by or against Contractor, then Contractor shall protect and hold the Indemnified Parties harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by the Indemnified Parties in connection with such litigation whether or not such action is contested or prosecuted to judgment. Contractor's obligation to indemnify the Indemnified Parties shall include the duty to defend at Contractor's sole cost and against any claims asserted by reason of any such claims or liabilities. Notwithstanding anything in this Section to the contrary, the foregoing indemnity by Contractor shall not apply to any cost, damage, claim, liability or expense occurring as a result of, or in any way arising from, the gross negligence or intentional misconduct of Landlord, its agents or employees to the extent of such gross negligence or such willful misconduct.

11. **Default.** If Contractor shall fail to comply with any term, provision or covenant of this Agreement and shall not cure such failure within five (5) days after written notice thereof to Contractor, Owner may, at its option: (1) take such actions as are reasonably necessary or desirable to cure such failure; (2) terminate this Agreement; and (3) take such other actions as are permitted Owner at law or in equity. Contractor shall be liable to Owner for the entire cost thereof, which Owner may offset against the Contract Sum owned to Contractor.

12. **Liens.** Contractor agrees that neither it nor any of its labor or material suppliers shall have, file, or maintain a lien for materials delivered for use in, or for work done in connection with the Work. Full lien waivers from Contractor and its subcontractors and suppliers at every tier shall accompany all requests for payment and shall be furnished at other times upon reasonable request of Owner. Contractor shall not create or permit any lien or encumbrance to be filed or recorded against the Property. If any such lien is filed or recorded, Contractor shall immediately cause it to be discharged of record. Should Contractor fail to do so, Owner may, at its option, arrange for the lien to be discharged, and Contractor shall be liable to Owner for the entire cost thereof, which Owner may offset against the Contract Sum owed to Contractor. Contractor agrees to indemnify and hold Owner harmless from any claims or costs in connection with such liens.

13. **Warranty.**

A. Contractor warrants that all of the Work shall conform to the requirements of the Contract Documents and Laws, and Work not completed in accordance with the terms of the Contract Documents or Laws shall be considered defective and, if applicable to the Work, will be repaired and/or replaced by Contractor at no additional cost to Owner for a period of one (1) year from the date of completion of the Work (the "Warranty"). Contractor shall complete corrections to the Work covered by the Warranty within five (5) business days after receipt of notice from Owner, or such longer time as Owner may, in its sole discretion, agree. If defects are not repaired or replaced during such five (5) day period, Owner may, at its option, arrange for the defect(s) to be repaired or replaced by a third party, and Contractor shall be liable to Owner for the entire cost thereof, which Owner may offset against the Contract Sum owned to Contractor.

B. If applicable to the Work performed, Contractor shall assign to Owner all manufacturers' and suppliers' warranties, express or implied, and provide copies of said warranties and all product operation manuals to the Owner no later than the earlier of: (1) payment of the Contract Sum or the next installment of the Contract Sum, whichever is applicable; or (2) the expiration or earlier termination of this Agreement.

14. **Labor Disputes.** Contractor shall use its best efforts to avoid labor disputes. Should such disputes arise, Contractor shall take immediate steps toward prompt resolution and shall keep Owner informed of the nature and status thereof.
