Contractor shall promptly report in writing to Owner all accidents occurring on the Property, giving full details and statements of any witnesses.

D. Contractor shall maintain a clean job site at all times, and clean up the area in which the Work is performed after each entry to perform the Work and remove any debris or other residue created in the course of performing the Work. If cleanup is not performed to Owner's satisfaction within seventy-two (72) hours after notice from Owner, Owner may, at its option, cleanup or otherwise remove any debris or materials from the Property. Contractor shall be liable to Owner for the entire cost of remedying any defective or unperformed work, which Owner may offset against the Contract Sum.

F. Any and all costs of completion of the Work are included in the Contract Sum.

5. COMPLIANCE WITH LAWS. Contractor shall perform and ensure that the Work is performed in accordance with all applicable international, federal, state, and local laws, orders, ordinances, rules, codes and regulations of the United States of America, the State in which the Property is located and any other public or quasi-public authority having jurisdiction over the Property or performance of the Work, including, but not limited to, all regulations and requirements of the Federal Occupational Safety and Health Administration (collectively, "Laws").

If required by law, notices shall be posted in conspicuous places for employees and applicants for employment setting forth the provisions of this nondiscrimination clause.

7. PROHIBITED ACTIVITIES. Contractor agrees to conduct the Work and control its employees, subcontractors, agents, suppliers, material men and anyone associated with Contractor in such a manner as not to create any nuisance or interfere with, damage the property of, annoy or disturb any tenant or invitee or occupant of the Property. Specifically: (a) no smoking by Contractor or its employees, subcontractors, agents, suppliers, material men or anyone associated with Contractor is permitted on or around the Property; and (b) Contractor shall refrain from and cause its employees, subcontractors, agents, suppliers, material men or anyone associated with Contractor to refrain from: (i) use of music that is objectionable to Owner or tenants/invitees/occupants of the Property; and (ii) use of clothing that displays publicly unacceptable wording, images or expressions or that is otherwise not in compliance with generally accepted rules for the workplace.

8. INSPECTION. Owner and its agents and employees shall at all times have the right to inspect all Work performed and materials furnished, installed, or used by Contractor in or about the Property. Such inspection(s) shall not relieve Contractor of any duty to ensure that the Work conforms to Laws and the requirements contained in the Contract Documents.

9. **INSURANCE.** Contractor shall, at its sole cost and expense, obtain and keep in force a policy or policies of the insurance set forth on Exhibit C.

10. **INDEMNIFICATION.** To the fullest extent permitted by law, Contractor agrees to indemnify, defend, and hold harmless Owner and its affiliates and each of their respective officers, directors, managers, shareholders, members, employees, representatives, agents, successors, and assigns (collectively, "Indemnified Parties") from and against any loss, liability, costs and expenses (including, without limitation, court costs and attorneys' fees) incurred by or claimed against Indemnified Parties, directly or indirectly, as a result of or in any way arising from Contractor's performance under this Agreement or Contractor's failure to perform its obligations under this Agreement. In case the Indemnified Parties shall be made a party to any litigation commenced by or against Contractor, then Contractor shall protect and hold the Indemnified Parties harmless and shall pay all costs, expenses and reasonable attorneys' fees incurred or paid by the Indemnified Parties in connection with such litigation whether or not such action is contested or prosecuted to judgment. Contractor's obligation to indemnify the Indemnified Parties shall include the duty to defend at Contractor's sole cost and against any claims asserted by reason of any such claims or liabilities. Notwithstanding anything in this Section to the contrary, the foregoing indemnity by Contractor shall not apply to any cost, damage, claim, liability or expense occurring as a result of, or in any way arising from, the gross negligence or intentional misconduct of Owner, its agents or employees to the extent of such gross negligence or willful misconduct.

11. **DEFAULT.** If Contractor shall fail to comply with any term, provision or covenant of this Agreement and shall not cure such failure within five (5) days after written notice thereof to Contractor (except where a shorter or longer cure period is explicitly provided for under this Contract), Owner may, at its option: (1) take such actions as are reasonably necessary or desirable to cure such failure; (2) terminate this Agreement; and (3) take such other actions as are permitted Owner at law or in equity. Contractor shall be liable to Owner for the entire cost thereof, which Owner may offset against the Contract Sum owned to Contractor.

12. **LIENS.** Contractor agrees that neither it nor any of its labor or material suppliers shall have, file, or maintain a lien for materials delivered for use in, or for work done in connection with its products or services, unless Owner fails to pay Contractor as provided hereunder; provided, however, if such failure to pay is the result of an alleged failure of Contractor to perform under this Agreement, Contractor and such suppliers shall not be entitled to file or maintain a lien. Conditional lien waivers in form and substance satisfactory to Owner from Contractor and its subcontractors and suppliers at every tier shall accompany all requests for payment and shall be furnished at other times upon reasonable request of Owner. Final lien waivers shall be provided upon receipt of final payment. If any such lien is filed or recorded, Contractor shall immediately cause it to be discharged of record. Should Contractor fail to do so, Owner may arrange for the lien to be discharged, and Vendor shall be liable to Owner for the entire cost thereof, which Owner may offset against the amounts owed to Contractor. Contractor agrees to indemnify and hold Owner harmless from any claims or costs in connection with such liens.

13. **WARRANTY.**

Contractor shall complete corrections to the Work covered by the Warranty within five (5) business days after receipt of notice from Owner, or such longer time as Owner may, in its sole discretion, agree. If defects are not repaired or replaced during such five (5) day period, Owner may, at its option, arrange for the defect(s) to be repaired or replaced by a third party, and Contractor shall be liable to Owner for the entire cost thereof, which Owner may offset against the Contract Sum owned to Contractor.
