#### UNIT DETAILS

MAKE:	<b>SECO</b>	CAPACITY:	<b>2500 LBS</b>
POWER:	<b>Hydraulic</b>	LAST LOAD TEST	
CONDITION:	<b>GOOD</b>	EXP. DATE:	<b>February after issued date below</b>

In accordance with Chapter 30 of the International Building Code, this and every elevator, escalator, man-lift, and dumbwaiter in operation or which may hereafter be installed within the City of Aurora shall be inspected under and by the authority of the Division of Building and Permits. It shall be required that the hoist way and the elevator or other installation and all equipment relating thereto be inspected at least once every twelve months, and in no case shall any new equipment be placed in operation until an inspection of the same has been made.

It shall be the joint and severable duty of the owner, agent, lessee, or occupant of the building in which such equipment is located and of each person in charge or control of such equipment to frame the certificate and place the same in a conspicuous place in each elevator and near each escalator, man-lift, or dumbwaiter.

Any person violating, resisting or opposing the enforcement of any of the provisions of the Aurora Building Code shall be fined up to Five Hundred Dollars for each offense. Each day such violation continues shall constitute a separate and distinct offense.
