# CERTIFICATE of INSPECTION

505 N LAKE SHORE DR

505 N LAKE SHORE DR

This certifies that "I have this day 09/27/2023 inspected the Elevator, Car 7, 7 and found this elevator and machinery in safe operating condition, Passenger Elevator, Electric, Automatic, 2,500 lbs, 68 floor(s), 1,200ft/min and that this elevator complies with the following requirements of the ordinance".

(Section 14C-1-103.1) Every conveyance device now in operation, or which may hereafter be installed, together with the hoistway and all equipment thereof, shall be inspected under the authority or pursuant to the mandate of the authority having jurisdiction as often as the authority having jurisdiction deems necessary, and in no case shall any new conveyance device be placed in operation until an initial acceptance inspection of such conveyance device has been made.

(Section 14C-1-104.2.1) It shall be the joint and several duty of all persons responsible for an elevator to frame such certificate of compliance and to place such framed certificate in a conspicuous place in the elevator to which the certificate applies.

(Section 14A-3-302.1) Each violation of a provision of the Chicago Construction Codes or interference with the enforcement of the Chicago Construction Codes must be punished by a fine as provided in Section 14A-12-1203. Each day that a violation continues and each act of interference is a separate and distinct offense.

DATE OF INSPECTION: 06/04/2023  
DATE OF EXPIRATION: 11/30/2023

505 N LAKE SHORE DR  
505 N LAKE SHORE DR

This certifies that I have this day inspected the Elevator , Car 9, EAST and found this elevator and machinery in safe operating condition. The equipment is described as Passenger Elevator, Electric, Automatic, 4,000 lbs., 70 floor(s), 700ft/min.

**Due to a lack of compliance with ALL code requirements this certificate is considered conditional. Further inspection will be required to ensure full compliance with the code.**

(Section 14C-1-103.1) Every conveyance device now in operation, or which may hereafter be installed, together with the hoistway and all equipment thereof, shall be inspected under the authority or pursuant to the mandate of the authority having jurisdiction as often as the authority having jurisdiction deems necessary, and in no case shall any new conveyance device be placed in operation until an initial acceptance inspection of such conveyance device has been made.

(Section 14C-1-104.2.1) It shall be the joint and several duty of all persons responsible for an elevator to frame such certificate of compliance and to place such framed certificate in a conspicuous place in the elevator to which the certificate applies.

(Section 14A-3-302.1) Each violation of a provision of the Chicago Construction Codes or interference with the enforcement of the Chicago Construction Codes must be punished by a fine as provided in Section 14A-12-1203. Each day that a violation continues and each act of interference is a separate and distinct offense.
